

Using Kanopy on Apple TV

Kanopy is a collection of movies and TV shows.

- Each month you will receive 30 tickets.
- Each video requires a certain number of tickets to borrow.
- The loan period varies by the type of video.
- All videos will be automatically returned at the end of their loan period.

Kanopy can be used on:

- Android mobile devices
- Apple mobile devices
- Amazon Kindle Fire devices
- Desktop or laptop computers (Windows, Mac and Chromebook)
- Streaming media players (Amazon Fire TV, Apple TV and Roku)

How to create a Kanopy account:

1) On a computer or mobile device, open a web browser and go to

www.kanopy.com

2) Click the orange "Find Your Library" button. Where it says "Find Your Public Library," search by zip code **46168**. From the search results, select **Plainfield-Guilford Township Public Library**. Click "Select this library" to confirm.

3) Where it says "Add Your Library Card," enter the number that's on the back of your Plainfield library card and click the orange "Continue" button.

4) Enter your name, e-mail address and create a password that's at least 6 characters. When you are ready, click the orange "Sign Up" button.

5) Check your e-mail account for an e-mail from Kanopy (you may need to check your spam folder). Click the link in this e-mail to verify your e-mail address.

How to set up Kanopy on your Apple TV:

1) Go to the Apple App Store. Find the Kanopy app (it is free) and download it.

2) When it has finished installing, open it. Click the "Log In" button.

3) On your computer or mobile device, open a web browser and go to

www.kanopy.com/link

Enter the link code that you see on your Apple TV's screen, then click the orange "**Link Device**" button. You will see a message that your device has been linked successfully.

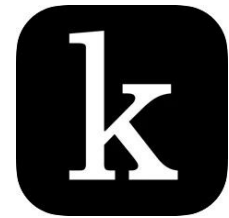

4) Return to your Apple TV and begin using Kanopy.
